TES003EU | Targus 10.2 inch / 25.9cm Hughes Netbook Slipcase

The Targus 10.2" Hughes Netbook Slipcase is designed to protect netbooks with up to 10.2" screens. The durable exterior and soft interior twill lining protect the netbook from dust and scratches during transport. Constructed of smooth oil-tanned leather material, the sophisticated case has the look and feel of a high-end executive portfolio. Whether transporting the netbook between meetings or inside of another carrying case for added protection, the Hughes Leather Netbook Case provides a professional appearance throughout its travels. Oiled Leather: The process of oiling leather dates back hundreds of years. After smoothing the surface, this quality leather is then infused with natural oils to create a highly durable yet supple material that continues to develop, soften and conform to your body for a comfortable, ergonomic fit.

Protection – Designed to protect up to 10.2" netbooks from dust or scratches

Material – Constructed of durable, smooth oil-tanned leather material; features strong magnetic closure
